SELECTMEN'S REPORT

Once again the Town Meeting is only two weeks away. We are busy trying to decide which way to turn. Should we repair or replace? What should we spend for this or that? How will it all effect the future of Danbury? Did we accomplish anything worthwhile? People are becoming concerned about what happened and what will happen.

This year's TRA appropriation was used to complete the Clews Road project, rebuild and mix High Street extension to Route 4 and also to widen and gravel Waukeena Lake Road to Armstrong's house. We also graveled and mixed a short piece of road to the ski area parking lot.

We decided to hold up on the Bog Bridge project, as the new owner of the Ragged Mountain Corp., Mr. Foote, indicated to us that a lake was being planned for this area in the near future. The bridge and road would then be flooded. As there are other bridges that are in need of permanent construction we are suggesting that the money raised for the Bog Bridge be used on these other bridges.

We are suggesting under Article 6 that the Town purchase a new road grader, to replace our present one. The grader we now have is in need of major repairs, if we are to continue using it for any length of time. We purchased the present grader in 1963 for \$8,000.00 and in the six years that we have owned it, repairs have amounted to over \$4,000.00. It is now 16 years old and we do not feel that it is worth tying up a lot of money for repairs to keep it operating. By purchasing a new grader we can eliminate excessive repairs and can spread the cost of it over as many years as desired so as not to overburden the taxpayers in any one year.

Your attention is again called to the importance of the return to the office of Selectmen your COMPLETED INVENTORY. Your failure in regards to sale transactions, improvements or additions may eliminate consideration of your tax assessment and may possibly invoke the application of the article of doomage, fully explained under the law governing return of your completed inventory, printed on the last page of all inventories.

The Board of Selectmen meet at the Town Hall on Tuesday of each week at 7:00 P. M.

Mr & Mrs. Gifford Wiggin

Mr. & Mrs. Sylvester Pulver

Miss Sharon Pulver

Mr. & Mrs. Raymond Robie

Mr. & Mrs. Hayden Martz

And our many other Friends

Fifty long playing records were given to the Library by R.C.A. Victor and this collection was augmented but the gift of 35 others by the Sarnos. Mrs. Brownell was able to obtain a record rack from an acquaintance.

Many requests for special books for both adults and school children have been filled. Several times material has been sent from the State Library Reference Department when information sought has not been obtainable here in our Library. This is part of the service we have available as members of the N. H. Library Association.

Exhibits at the Library have included craft work using N. H. materials and an outstanding display of minerals and semi-precious stones. Winning posters made by the school children for National Book Week were also on display.

Weeding out of older, non-circulating books has been recommended by the State Extension Library to help modernize the selections available to the public. This weeding out was started 7 or 8 years ago but the books were stacked in one of the back rooms. This year we went through these books and removed them from the Library, thus eliminating a cluttered fire hazard.

Many hours have been spent in cataloging all of the books under one system. These includes a card catalog where anyone can look up a book to see, if we have the book, where it is located in the Library.

Special "Thanks" go to Gifford Wiggin for his help during the winter months.

Increased open hours have resulted in higher fuel and light bills as well as more salary being paid. Therefore we are asking for a higher appropriation so that the Library may continue to serve the community as much as possible.

Respectfully submitted,

PHYLLIS J. TAYLOR, Chairman
MARY BROWNELL

ARTICLE FOR THE WARRANT:

To see if the Town will raise the sum of \$350.00 for the George Gamble Library.

REPORT OF THE DANBURY PLANNING BOARD

1968

The Danbury Planning Board has held several meetings this past year, the most recent one with the new owners of Ragged Mountain and the Selectmen.

To preserve the natural beauty of Danbury and to protect the homeowners, both year round and seasonal, we recommend that the articles in the warrant be adopted.

We will continue to meet separately as a board and with the owners of Ragged Mountain Corporation and others to plan for the proper development of Danbury so that everyone will benefit therefrom.

It is our sincere wish that the people of Danbury will support its planning board in every way possible.

Proposed Trailer Ordinance:

a) Use of land for accommodation of trailers and/or mobile homes is prohibited, except as provided below in this article.

However, any property owner or lessee may accommodate 1 trailer of a non-paying guest for a period of not exceeding 90 days in any one year.

b) The above applies only to trailers and/or mobile homes utilized for residential purposes, and is not intended to cover single trailers and/or mobile homes owned by residents and stored or parked during periods of non-use on the premises of the owner.

c) The Board of Selectmen may approve the temporary use of a trailer and/or mobile home to be maintained as living quarters by a person employed in adjoining

ing construction work or for whom a residence is being built, or as an office, storeroom or shop in connection with construction work, provided that such use is shown to be a temporary expedient or also that the use will conform to sanitary requirements.

d) The aforesaid ordinance shall not apply to trailers and/or mobile homes already situated provided they remain in their present location or existing parks as long as they remain in their present boundaries.

FOREST FIRE REPORT

Once again we have ended up a very successful year as far as forest fires are concerned. This is the third year in a row without a major fire expense to the town.

This year after consulting the selectmen and Mr. Gross we decided to use part of our trust fund money to buy six new Indian pumps as our old galvanized tanks are beyond repairs. It would be better to have them and not need them than to need them and not have them.

To all our new people in town as well as the old ones we wish to thank you one and all for your cooperation in regards to fires. Please remember that you have to have a permit to burn brush or use incinerators.

The hours of burning are from 5 P.M. to 9 A.M., unless it is raining. In case of fire call 768-9421 Daytime, 768-2524 At Night.

Thank you.
